MD. Bani Amin

WEB DEVELOPER & CONTENT EDITOR

OBJECTIVE

I am looking for a career where there is an equal opportunity for growth and development in a challenging environment where I can show a strong sense of responsibility, dignity of work, and devotion to building a bright career and developing the organization.

PROFILE

I'm Bani Amin. I'm a full-stack web developer. I am a freelancer based in Bangladesh and I have been building noteworthy websites for years. This time, I've done all types of projects. I'm also a video editor. I have been editing noteworthy videos for years. Given my extensive experience in video editing, I believe I can add a ton of value to the client channel with my editing skills as well as in the post-production editing aspect.

WORK EXPERIENCE

Softify | Freelance Web Developer

2019 – Present

In 2019, I've joined in Softify In. as a full-time junior web developer. I've learned a lot in this short period of time which will help me in my future work I believe.

Peopleperhour | Senior UI/UX Designer

2017 – 2018

Since 2017, I'm working as a freelance web designer in many marketplaces. So far, I have completed many projects with international clients that have received many accolades.

Camera Operator & Video Editor | MZ media

2016 – 2019

In back 2016 I first bought my camera and started my content creation in 2015. In recent years, I've upgraded my skills and gear, which I think adds extra spice to my client content.

Upwork & Fiverr | Web Designer

2016 – 2018

Creative and detail-oriented web designer with eight years of experience translating client visions into visually appealing and user-friendly websites. Proficient in front-end development and skilled in various design tools.
